

Le Caudan Waterfront

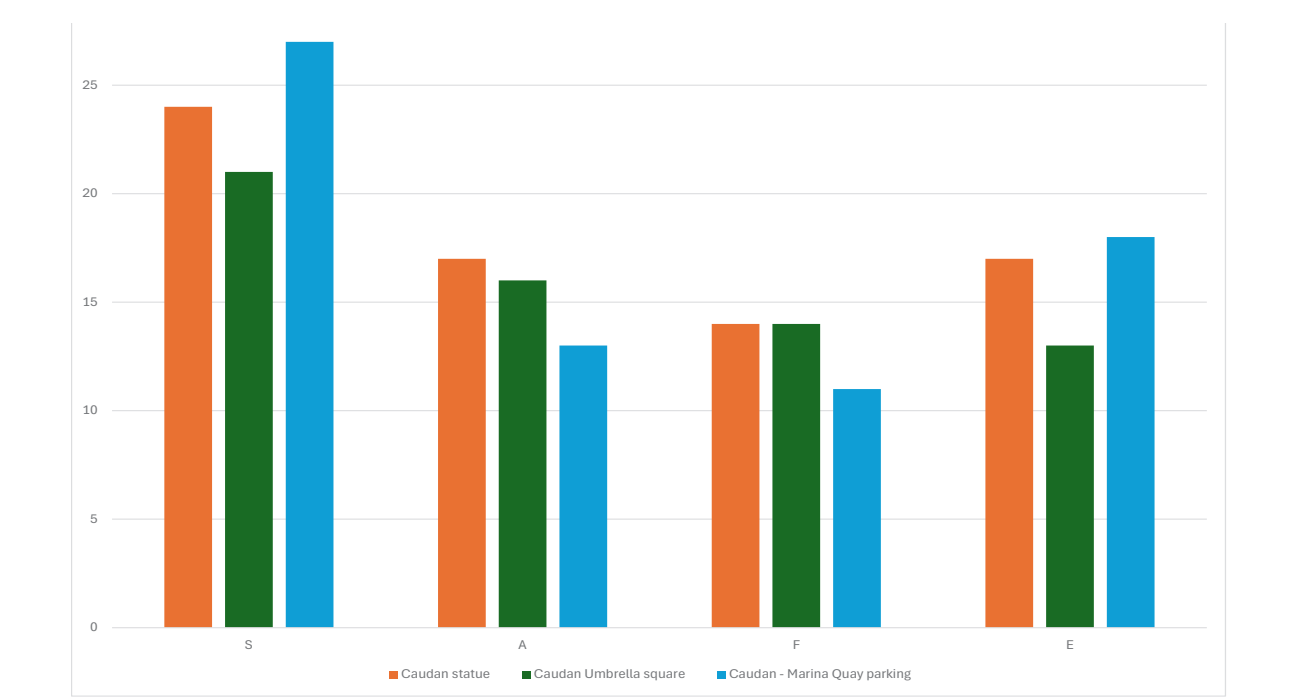

International case study, Mauritius

Introduction

Le Caudan Waterfront is Mauritius' premier leisure and commercial district. This area seamlessly blends modern attractions such as shopping, dining, art, entertainment and others with the island's heritage. Visitors both locals and tourists can explore a variety of boutiques and restaurants offering a mix of local and international products and cuisines. Caudan also features a cinema, art galleries, and live music performances providing entertainment for all tastes. With the picturesque views of the harbor and ocean, the waterfront is the ideal place for a relaxing walk.

SAFE assessment

Safety

- Security guards and dogs survey and patrol the area at all times
- CCTV cameras placed at very strategic places
- Light posts illuminate the area at night time

Site 1

Attractiveness

- Public art
- Vegetations all around
- Creates an artsy feel and is utilitarian as well

Site 2

Friendliness

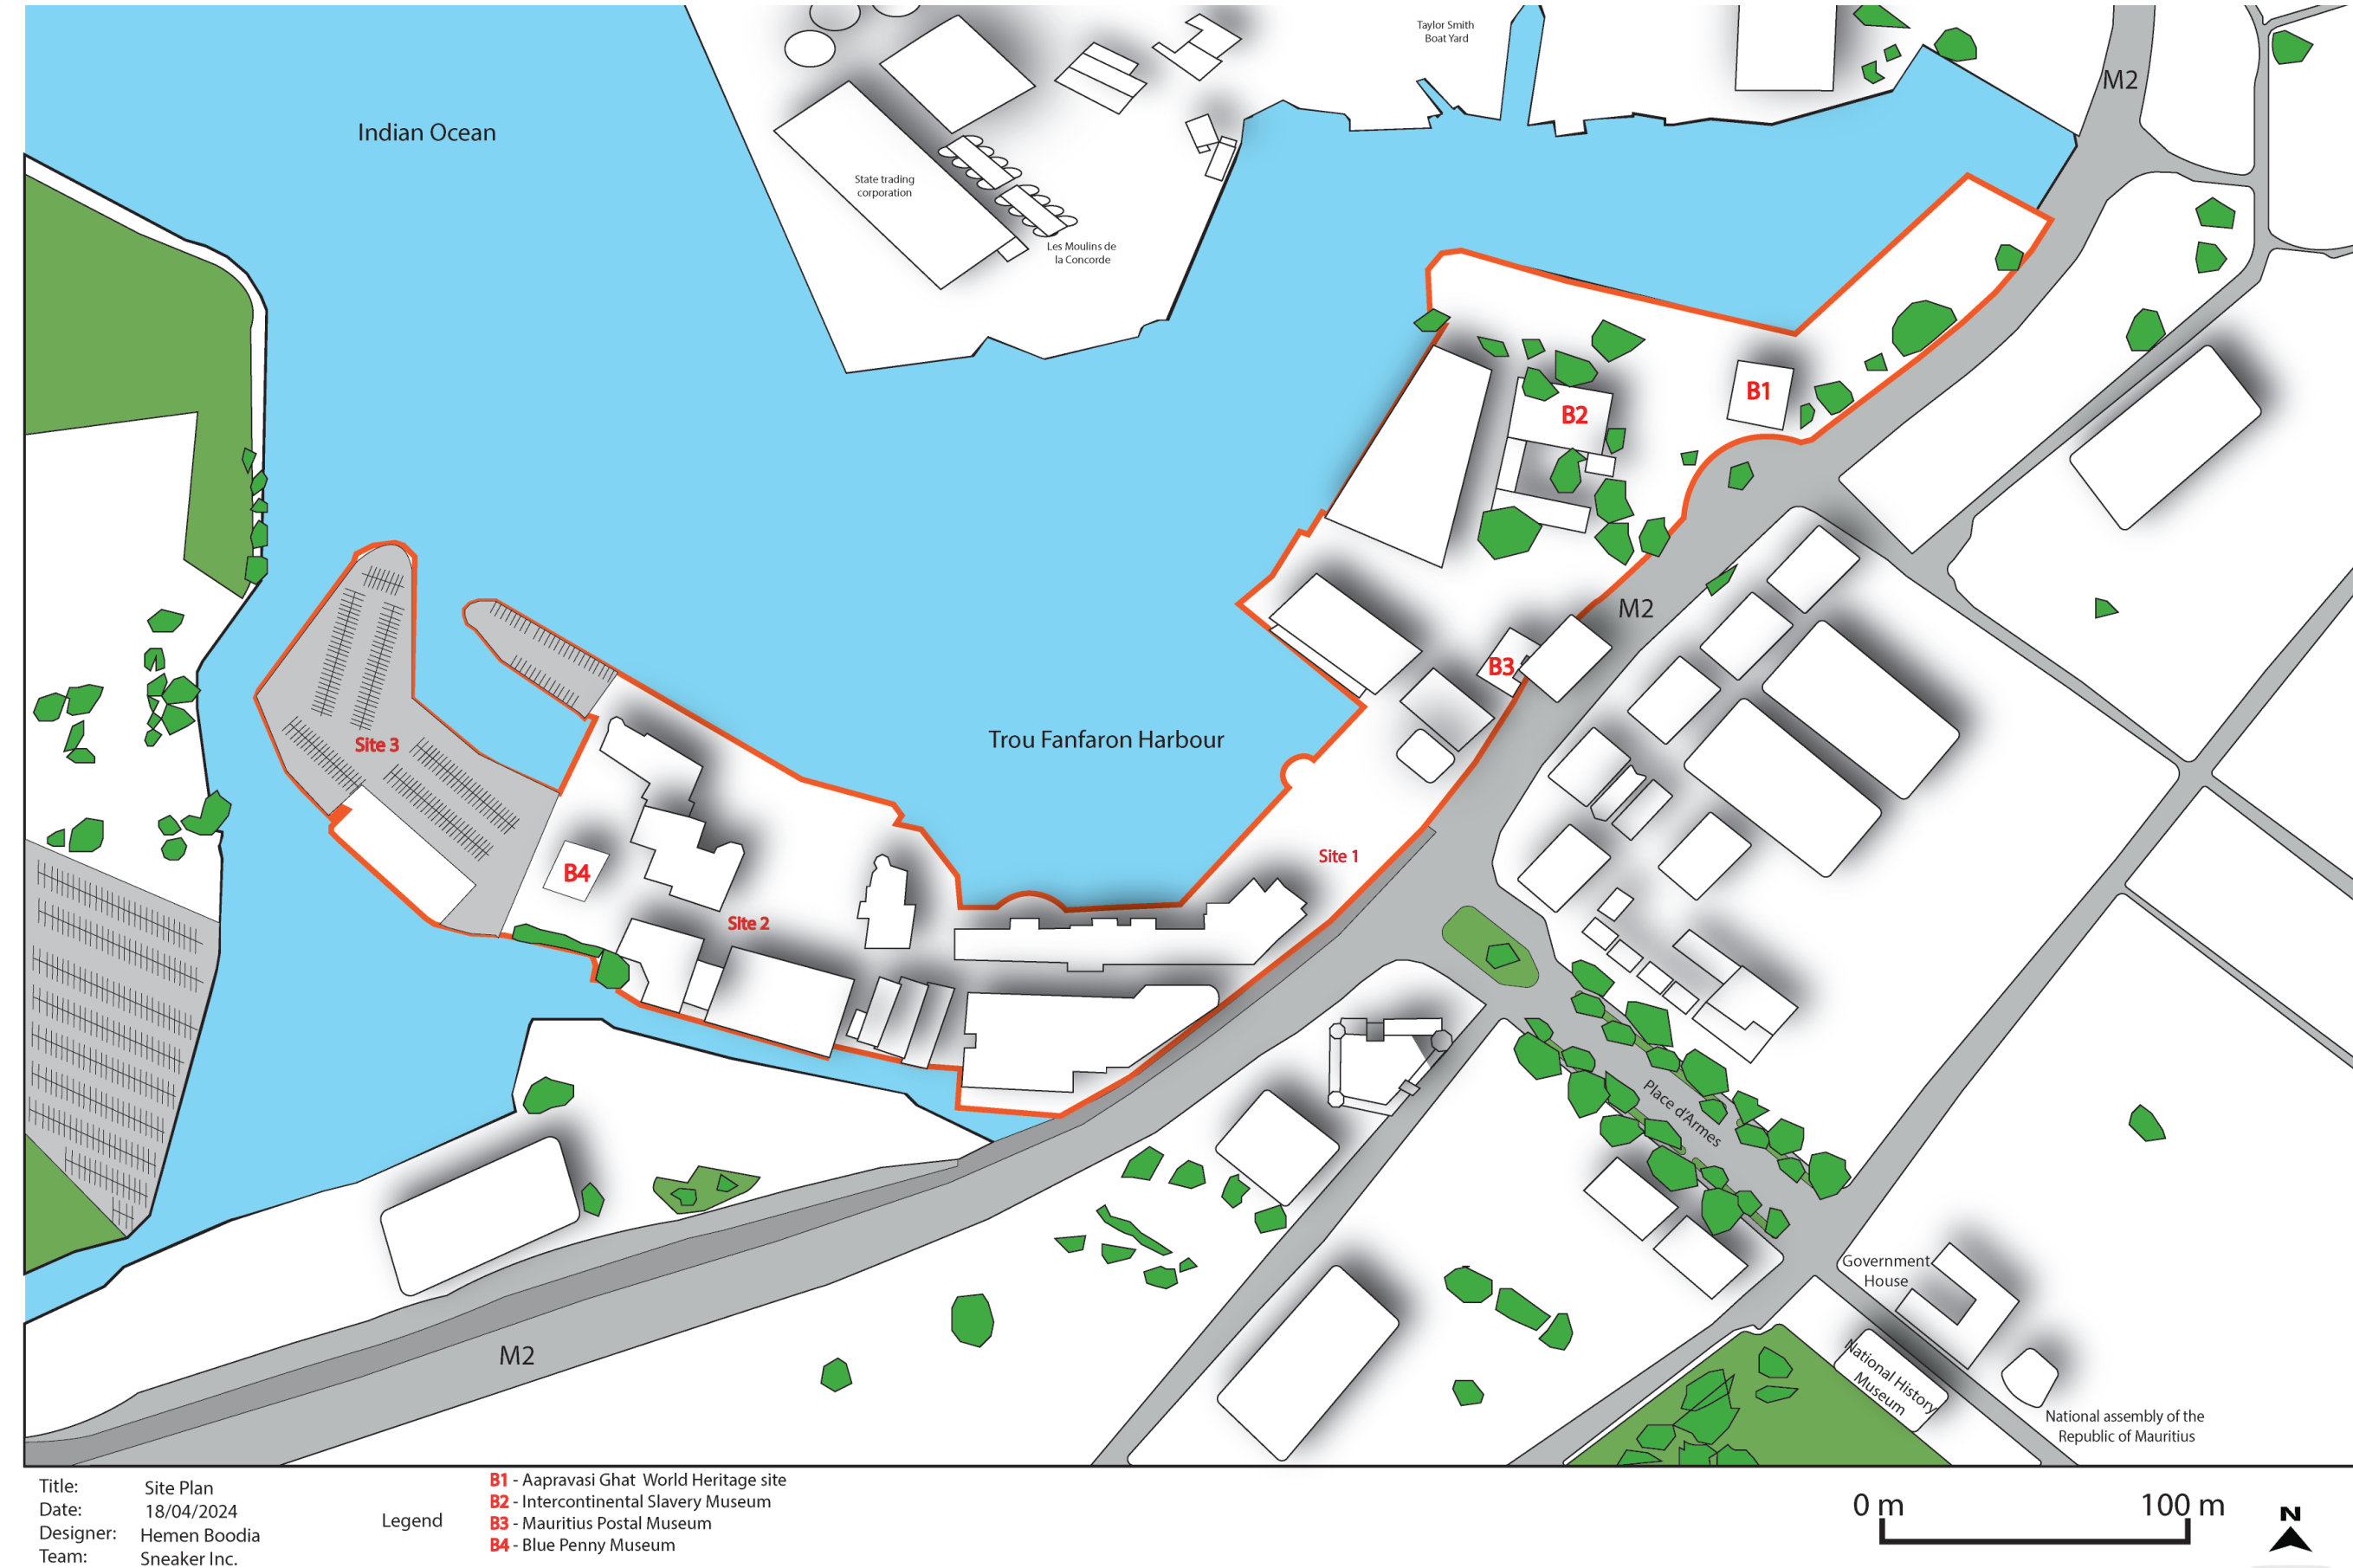

- Shaded seating area available
- Adequant lighting available all around
- Provides a relaxing environment

Site 3

Efficiency

- Access is not that clear with little signage and routes
- Lack of ramps but little amount of stairs

Strengths

Environmental

- Trees spread around the location
- Seating arrangement caters to location
- Accessibility

Social

- The waterfront has a mall integrated
- Has a Cinema
- Open foodcourt with access to the sea view

Economics

- Space intended as a local and tourist attraction
- Space invites working people to relax and enjoy after work.

Improvements

Environmental

- More accesspoints from city
- More public transport access

Social

- More parking

Economics

- More vareties need to be introduced there

Aapravasi Ghat World Heritage Site

Weakness

Environmental

- Needs more public transport access
- Gets overcrowded after work hours as located in capital
- Not many access points from city as next to M1 motor-way

Social

- Waterbodies do not attract people as water is quite murky and there are high traffic of ships
- Mouth of river located there
- Not enough parking, thus people tend to go elsewhere

Economics

- Some products are overpriced

Opportunities

- Creates employment for both local and tourists
- Attracts a wider and larger target audience
- Can benefit from social trends

Threats

- New competitors are joining the market thus in-creasing rental cost
